# About Us

Polmer is a direct manufacturer, supplier and exporter of exquisite Mugla White Marble, established in 2003. Our headquarters is located in the Bayır district of Mugla and only a few hours far from Port of Gulluk and Izmir. Procuring services on an area of 1000 m<sup>2</sup> indoors and 16000 m<sup>2</sup> outdoors at total.

The aim of the establishment is to bring unexplored rich marble mines to the Turkish and World market.

We provide clients with cutting edge and high end-quality marble to establish profitable long-term relationships.

We are one of the few owners of a Mugla White quarry and this gives us a significant competitive advantage on the white marble market. We cut, manufacture and export white marble blocks, slabs and floor and wall tiles as well as marble powder in bulk quantities. Polished, honed, brushed, tumbled, sandblasted and hammered surfaces are available. We export materials to countries such as United States, Germany, France, Italy, Spain, United Kingdom, India, Israel, Russia, and Azerbaijan.
